We are geared to service all imports, exports & transshipment of break bulk and project, heavy cargo through all main ports in Sri Lanka

## Freight and Logistics for **BREAK BULK & PROJECT CARGO**

Handling project & break bulk cargo takes expertise and experience, attention and special care.

At Prudential Shipping along with our worldwide partners we have the experience and the expertise. We provide total integrated logistics services to move all types of break bulk and project cargoes from steel pipes, billets and cables to components of power plants and offshore platforms to cranes or excavators or any other heavy machinery.

Our worldwide network ensures that all bulk & heavy cargo reaches from any point of origin to its final destination, safely & cost effectively.

Contact us for Freight and total logistics for your Break Bulk and Project cargo.
